Facilitating the revolution of DLT across  
European SMEs

This project has received funding from the European Union's Horizon 2020 research and innovation framework programme through Grant Agreement no. 828840

Partners:

# Free equity funding and services for startups implementing DLTs in traditional SMEs in a range of domains

## Are you a company currently working with Distributed Ledger Technologies?

- 1 Find a traditional SME in our preferred domains.
- 2 Convince them to partner. You will implement a DLT-solution for their business case totally free.
- 3 Send us your application before 27th of May.
- 4 Be part of the acceleration programme.

## What's our offer?

- Up to €50,000 equity-free per use case.
- Free access and support to Alastria DLT infrastructure.
- Coaching from top innovation management firms in Europe as ZABALA and Innomine.
- Free access to a certificate programme by the Frankfurt School Blockchain Center.
- Match-making with investors to secure follow-up rounds.
- Being part of a pan-European initiative backed by the European Commission and supported by major players of the industry.

## We welcome projects in the following DOMAINS

- Industry 4.0
- Mobility & Transport
- Food & Retail
- Media
- Legal & Compliance
- Health
- Other

## The process
